Contractor: Wates Construction

Value: £180,000

 **Rapid-Fit**
DOORSET SOLUTIONS

 **SecureSound**
SECURED BY DESIGN INTERNAL SECURITY DOORS

What was supplied:

- Apartment entrance doorsets designed to meet exacting Secure by Design (SBD) standards. Each SBD door was supplied complete with lock, letter plate and spyhole and carried an FR60 fire rating.
- Internal apartment doorsets in oak veneer, supplied complete with CE marked hinges and latches.

Key Challenges Overcome:

Doors were supplied in a variety of high-pressure laminate (HPL) colours to match the projects' colour scheme.

Benefits for the Customer:

MBP took care of all the scheduling for the contractor, ensuring everything was delivered on time.

“It is always a pleasure working with MBP because their service level is second to none. Not only are the fire doors and doorsets they provide always high quality, but they help with our scheduling and deliver on time.”
